"Good thought-provoking stuff. Lion O. King has just launched a rocket with his stylish and incendiary album "You Are God Too". Definitely a musical force to keep your eye on in 2018!"

- Gordon Raphael, producer of The Strokes

Theatrical music concept **Lion O. King** releases new single 'Shine on Rough' on 16th March 2018. Since 2016, **Lion O. King** has released a new song every month. Now, in the third year of 2018, and his second album, **You Are God Too** in the pipeline, **Lion O. King** displays no signs on stopping.

Born in Ethiopia, and raised in Southern Italy, Berlin, and New York, the Lion has been a student of the world before he could walk. He was trained by the wise while he ate with the poor. He knows what it's like to be hungry, and now he's ready to feast.

Lion O. King is inspired by the likes of **Daft Punk, Mumford & Sons, Moby, Paul Kalkbrenner, Jim Carrey,** and **Barack Obama** and has performed on stages such as **Rock am Ring** and many shows across Germany. **Lion O. King** comments, *"I never sang in German, as I was always afraid I was going to be good."*

Lion O. King is back with his second full length studio album, **You Are God Too** later this year. While 'Dare To Love' leapt into the psyche of **Lion O. King**, **"You Are God Too"** journeys outward, exploring freedom of thought, the hope to carry on, and the right to be happy.
